

School Health Programs – Asthma Friendly Schools

Ballarat Community Health Centre offers through the Asthma Foundation, Asthma Friendly Schools sessions to primary school and secondary school teachers. This learning opportunity provides information about what asthma is, triggers, medication and first aid asthma management.

Additionally, Ballarat Community Health Centre provides opportunities for asthma education and support for parents, students and the wider community through classroom education, community talks, parent and friend's discussions and one on one education sessions.

For further information or asthma resources please also check out our website list.

Please contact Demelza on (03) 5338 4500 or by email at demelzar@bchc.org.au to register your interest in this or any other school opportunities for 2009.

Please note that Ballarat Community Health Centre staff require a minimum of four weeks notice when working in schools.
